INTRODUCING THE PENTOSIN DSG TRANSMISSION SERVICE KIT

NEW!

The new generation of Audi/Volkswagen double-clutch gear transmissions (DSG) have a recommended 40K mile service of the fluid and filter. CRP Automotive has created a kit designed specifically for this service by bringing together two of our great brands – Pentosin, makers of the FIRST FILL fluid on the AVW DSG Transmission (FFL-2), and Rein Automotive.

About FFL-2:

- Only approved FIRST FILL for the AVW DSG Transmission
- Fully-synthetic base oil technology – safe at highest thermal load
- Features special clutch friction performance specific to the double-clutch gearbox (do not mix with other gear oils)
- 1.2 million North American VIO
